## *S.F. Enterprise bv introduction*

We are smart security systems suppliers and distributors.

S.F. Enterprise bv, specialize in several high tech exclusive products which are one of a kind in their field, widely used by police and security forces and over the years have built a reputation of quality.

These systems are used daily to guarantee and secure the safety of millions of people at airports and throughout cities.

Most importantly you can benefit from our experience/expertise and service which includes one of the top security advisors in the Netherlands who is our partner.

*Our specialty is – Safe City Planning & Terror and Crime Prevention.*

The most advanced control rooms of the world are in the Netherlands.

There are successfully realized projects in Holland and abroad you can visit and observe that speak for themselves.

Severe problems such as terror, crime, drug related crime, aggression, violence, vandalism and so on, we see as a challenge, to solve, and to help make the society in which we live as secure as possible.

On the site you find a list of our products that we are authorized to sell and distribute in your area.

*For and on behalf of S.F. Enterprise bv., we remain,*  
With Best Regards,
